SECOND EDITION.  
BY TELEGRAPH.

WASHINGTON.

Secretary Seward and Dr. Blackburn.

Sickles' Application Suspended.

Frazier, Trenholm &amp; Co. Claims Settled.

New York, Sept. 26.

Secretary Seward declines to consider the yellow fever Blackburn as included in the amnesty proclamation of President Johnson, and which that individual had subscribed and forwarded to the Department of State for filing. The Secretary characterized the crime as not being an act of rebellion, or civil war, but as an offense against mankind.

General Dix has decided that only those excluded from holding office under the laws of Congress are ineligible to seats as delegates in the coming Virginia convention.

The Times' special says the application of Sickles for a court of inquiry is suspended, awaiting the opinion of the Attorney General on whether the President has the discretion, under the articles of war, to refuse such application.

The case of the United States, Frazier, Trenholm & Co. is now in a way of settlement, owing to complications by which it was brought into bankruptcy by its private creditors, which leads them to a desired settlement with the government, as the course will cover all expenses.

Efforts to secure a postponement of the Louisiana election are, so far, unsuccessful.

WASHINGTON, Sept. 26.

General Mower telegraphs from New Orleans that General Graham and other officers are sick with the yellow fever there, and are unable to do their duty. Most of the prisoners and soldiers on the Dry Tortugas have died of yellow fever, and the plague has assumed a more malignant form.

WASHINGTON, Sept. 26.

C. S. H. White, Esq., of the Interior Department, and secretary of the Indian peace commission, arrived in Washington last evening, having come from North Platte. Mr. White will go to Washington again about the 1st Oct., to meet the commission at Fort Hancock on the 1st.

WASHINGTON, Sept. 26.

Major General Slocum left Washington to-day for New York. It is probable that a leave of absence for several months will be granted him, and he will be ordered to his command. No decision has yet been made on his decision on the Court of Inquiry.

A. J. Tilden, principally of Georgetown, Md., waited on the President with a copy of resolutions adopted at the Bladensburg meeting, on Saturday last, and presented them to the chairman. The chairman made a short speech. The President responded, thanking the committee for the compliment paid him, and expressed his desire to present particular difficulties will soon be discussed on the basis of the Constitution.

Brigadier General J. R. Johnson, Major of the 4th cavalry has been ordered before a review board.

The following telegram has been received:

New Orleans, La., Sept. 25.—Brig. Gen. T. T. Dent and Gen. Wheaton are much better than yesterday. Gen. Graham and all other officers are doing well.

(Signed) JAS. A. LOWN.

Gen. Hancock left Washington this evening for Philadelphia, on his way to New York.

Major General Fitz John Parker left to-day for New York. Attorney General and others have not come to any decision in his case.

The prize fight arranged between Dan Dillon and Barney Mullin, did not take place this evening in consequence of a misunderstanding.

## THE WEST.

German Convention at Topeka.

Resolutions Against Sunday and Temperance Laws.

THE KANSAS STATE FAIR.

State Temperance Convention.

St. Louis, Sept. 25.

The Republican's Wyandotte, Kansas special says the German convention which was held at Topeka, on Monday last, adopted resolutions against Sunday and temperance laws, and that they would not support any man for the State Legislature or municipal office who would not give written pledges to oppose such laws.

An unsuccessful effort was made to commit Germans to negro suffrage. The female suffrage question was not voted on.

LAWRENCE, Sept. 25.

The Kansas State fair is to be held here next week. The display of strange fruits, large and highly creditable to this young State, and gives abundant evidence that a stock, fruit and grain producing State, Kansas is fully equal to any Western State.

The State temperance convention was held at Lawrence, and addressed the Pioneers, Ex-Governor Reuben, Elizbeth Cady Stanton and Susan B. Anthony.

A resolution was passed committing itself to the cause of temperance, and to prevent the repeal of the temperance law of last winter, to the abrogation of which the Germans pledged themselves in their convention on the 25th.

## NEW YORK.

Republican State Nominations.

THE HAMIL-BROWN SCULLION MATCH.

New York, Sept. 25.

The Republican State convention yesterday nominated George W. Scullion of Allegany for Canal Commissioner, Inspector of State Prisons, Colonel Delameter of Wyoming; Judge of the Court of Appeals, and Senator from the 13th District. Resolutions were adopted pledging the party to the advocacy of negro suffrage, and proposing a modification in the present state constitution.
